

## Ministry Update

The last couple of months God has blessed us with a busy traveling schedule and fruitful ministry time. I performed and ministered in 3 different states and it truly felt like coming back home from the missions-field. Sometimes we don't have to travel far because the mission-field is close to us; right in our own cities and communities. People are open for the truth and I have personally witnessed God doing amazing things in people's lives.

### Michigan Trip

In May, Dale Pugh and I went on a trip to Michigan. We did two school assemblies at a Christian School where several students prayed for salvation, four public school assemblies, an evangelistic event at a church and a few other church meetings.

After we spoke at the public schools, we invited the students to the evangelistic event at the Church of the Believers. We had 47 visitors that night! Several prayed after the presentation and accepted Jesus Christ as Lord and Savior. One boy told his mom, 'The King told me not to steal anymore.' He had invited Jesus into his heart that night but I never mentioned anything about stealing in the presentation. God is always in control!

### Colorado Trip

At the beginning of June, I went on a trip to Colorado where I helped a church in Ft. Collins with an outreach at a public park and then ministered at their Sunday morning service. After my first presentation in the park, I talked to a couple with their kids. They told me that the Gospel Message was presented very clear and their kids really wanted to go to church on Sunday. After the second performance the whole family and several other people prayed for salvation!

I also ministered for three days at a children's crusade at a church in Akron, CO. Many children from the community attended and many prayed and made a decision to follow Jesus Christ.

### More ministry

A church in St. Louis invited me to speak at their closing night of "Camp Motion". The pastor told me that they had invited the kids at the public schools in their community and approx. 110 kids attended the camp! Way to go! I also performed and ministered at several other places in the area.

## Upcoming Ministry

In the coming months of July, August and September, I am scheduled to minister at several other outreaches, parks, festivals and evangelistic meetings at different churches. I will also minister at the Hope Fest, with the Foursquare Church in Wichita, KS.

## Family Matters

As a family, we are truly blessed. Barbara is busy at her job at "Optimist International" and is preparing for their annual conference. Isabelle and Nicolai are enjoying their summer break. For the new school year, Isabelle will be starting Middle School and Nicolai will enter into 4<sup>th</sup> Grade.

What happened to my little kids?

## A Thank You

... to everybody who is supporting us faithfully with prayer, finances, and encouragement: Thank you for being a part of this ministry. We love and truly appreciate you all!

May God bless you for your contribution to this ministry.

*Christoph, Barbara, Isabelle and Nicolai*
