

Hope-Fest in Denver, CO

In August, I served with a team of over 40 people from St. Louis at the Hope-Fest in Denver, CO.

The Foursquare Gateway District was reaching out to the community and planted a new church in the Denver area. My "job" was to proclaim the Gospel message through the performing arts to people of all different backgrounds and ages.

During the two day event many people, from the youngest to the most mature, even entire families, responded to the Good News and committed their lives to Jesus Christ. On Sunday, 10 of those families attended the new church.

On Sunday morning, I ministered at a church in Fort Morgan, CO. Many visitors attended the service that morning. God spoke to me before the service that many people would come forward and respond to the invitation of the Gospel message. Having doubts that first time visitors would respond in such a way, we witnessed many people coming forward committing their lives to Jesus Christ. That weekend, over 180 people responded to the call of salvation. It can't get much better than this. We give Him all the Glory!!

The Vision

Our vision and mission is to come alongside the church and through teaching and performing to reach out into the communities, presenting the Gospel in a way everybody can relate to and understand.

Ministry work is a **TEAM** effort. We are still expanding our **prayer team**. If you would like to partner with us supporting the ministry of CiCOff, you can do so by committing to pray either daily or at least 2-3 times a week. **Nothing can hold back the power of prayer!** Would you pray about joining our **prayer team**?

Upcoming Ministry

During the month of October and November we will continue to minister and perform at outreaches and special services at different churches. October 21-22, I will be participating at the Hope-Fest in Kansas City ministering through the performing arts.

Family Matters

In July we enjoyed our trip to Switzerland where we got to spend time with our family and friends. Now the kids are back in school! Isabelle is now in 5th and Nicolai in 3rd grade.

A Special **THANK** You....to everybody who is supporting us with prayer, finances and encouragement. Thanks for being there for us and God bless you for your contribution to this ministry!
